Reference:
Public Act No. 259 of 2014

General:
State Tuition Assistance may be provided for voluntary off-duty education programs in support of Soldiers’ and Airmen’s professional and personal self-development goals. The State Tuition Assistance Program is directly related to retaining quality Soldiers and Airmen, enhancing their career progression, increasing the combat readiness of the Michigan National Guard, and returning Soldiers and Airmen to civilian careers.

Commanders at all levels are encouraged to use the State Tuition Assistance Program as a retention tool, to encourage Soldiers and Airmen to remain satisfactory participants, and meet their military obligations.

The Adjutant General is responsible for overall policies, guidance, administration, implementation and proper utilization of the Michigan State Incentives Program.

The MING-G/J1 is charged with validating the program for the Adjutant General and is the official designee of the Adjutant General for such purposes. Further sub-delegation of authority may be granted to the Army National Guard Education Services Officer (ESO).

The Recruiting and Retention Battalion Commander (Army) and the State Recruiting and Retention Superintendent (Air) are responsible for promoting the State Tuition Program as a recruiting and retention tool utilizing the incentives offered by the State Tuition Assistance Program.

Commanders at all levels are responsible for keeping members of their commands informed of the State Tuition Assistance Program. Commanders must continue to monitor eligibility of members who are receiving state incentives.
